Bunion Sleeve®

The Original Ultra-Thin Bunion Corrector

Bunion Sleeve is ideal for people suffering from mild to moderate bunions. This ultra-thin bunion corrector is lightweight and comfortable to wear with shoes, so you can go about your everyday life, free from pain. This orthopaedic product is ideal for active people looking for relief and is available in a variety of sizes, for both men and women.

This Hallux valgus corrector uses non-surgical bunion orthopaedic treatment and is perfect for people who want to avoid surgery and want to stay active.

- Relieves mild to moderate Hallux valgus and provides good support for post-operative care.
- Ultra-thin (0.4mm) and can be worn comfortably with socks and shoes during any activity.
- Ideal for active people and perfect for runners and walkers (unique non-slip heel). Separates your toes naturally, slowly releasing built-up tension and relieving soreness.
- Gently repositions the big toe to its more natural alignment, helping to improve balance and gait.
- Micro pressure reduction hole on the big toe reduces pressure for greater comfort.
- Anatomically shaped for either the left or right foot.
